PEOPLE have been THINKING too long that
ART is a PRIVILEGE of the MUSEUMS & the
RICH. ART IS NOT BUSINESS!
It does not belong to banks & fancy investors.
ART IS FOOD. You can't EAT it BUT it FEEDS
you. ART has to be CHEAP & available to
EVERYBODY. It needs to be EVERYWHERE
because it is INSIDE of the WORLD."

SHOOTING STAR

Please, won't you catch a shooting star for me
And take it with you on your way
Though it seems that we just met, you're the one I won't forget
Hope some kind wind blows you back my way

And I was thinking maybe somewhere later down the road
After all our stories have been told
I'd sit and think of you, a dear friend I once knew
Shot through my life like a shooting star

You are so dear, you're my bright and shiny star
You brighten each and every day
You are so near, but soon you'll be so far
So why not hold my hand today

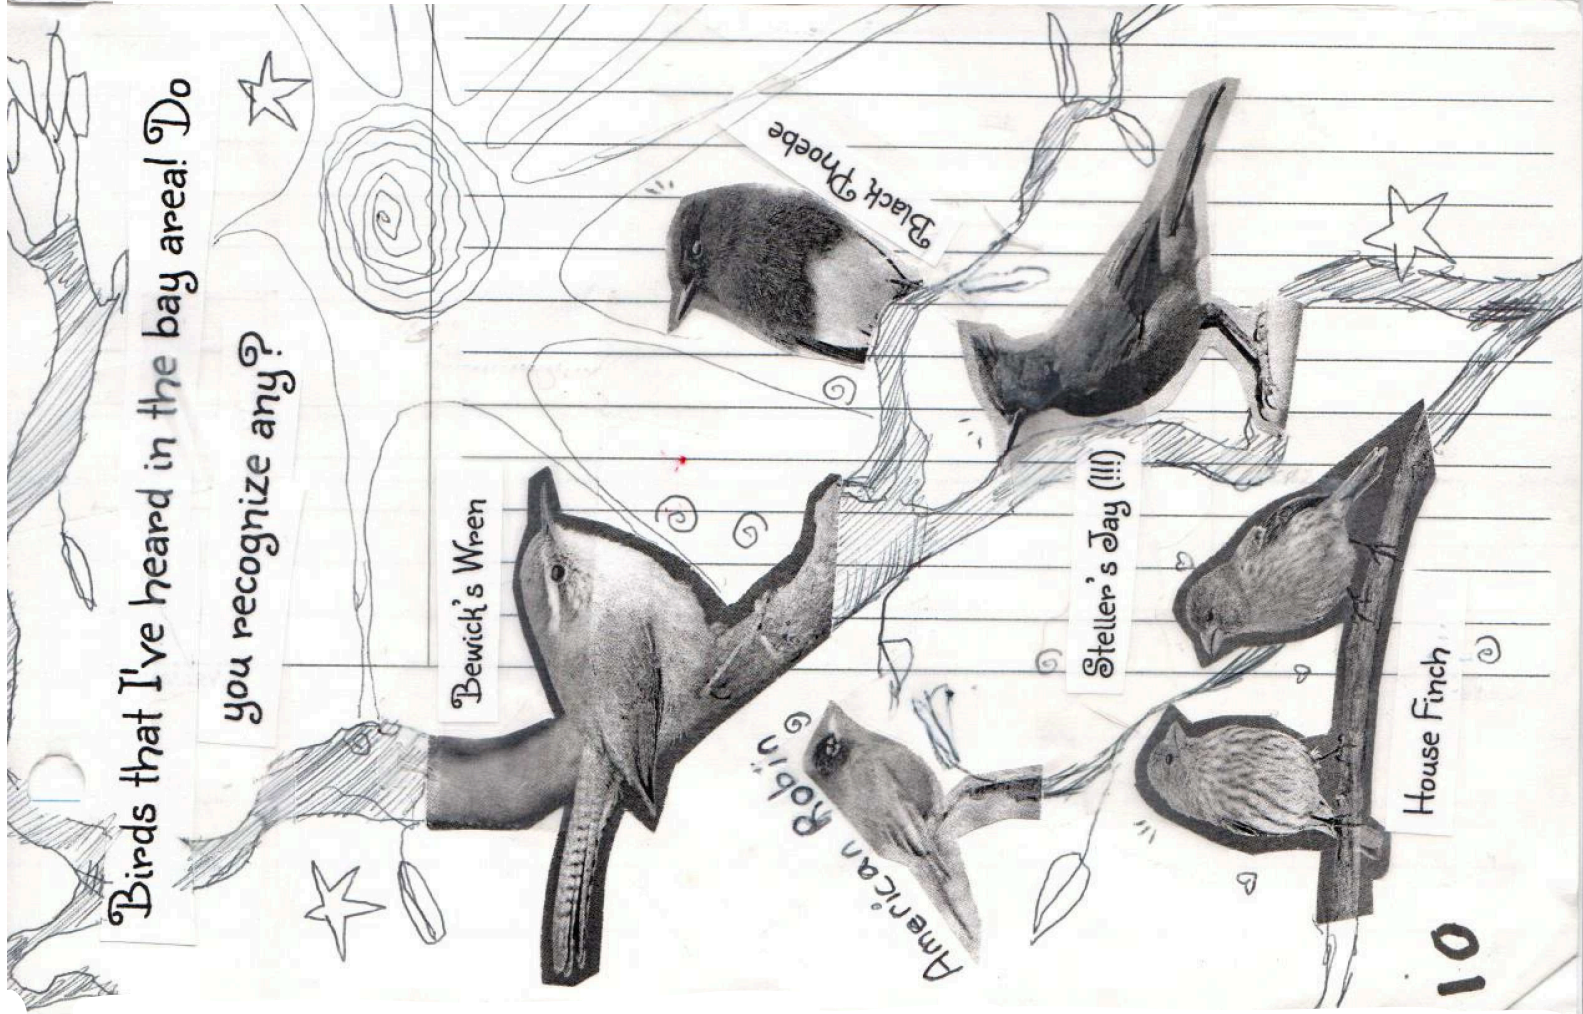

Sometimes I know that a part of you will show
Deep in my heart and in my smile
There will always be a part of you deep inside my heart
And I'll know just when to let it go

We are all part of the web of life

Another contingency could see passenger service halted altogether if it is determined that BART cannot safely or legally operate with the resources available to it, BART said.
